Funeral Obsequies.

The funeral services over the remains of Miss Gracie Groo took place at moon, yesterday, at the residence of the parents, in the Ninth Ward, a large number of Iriends and relatives being present. A brief address, calculated to console the parents in their great loss, was made by President D. H. Wells, after which Bishope O. F. Whitney and S. A. Woolley also, spoke. The remains were then conveyed to the cemelery, followed by many relatives and sympathizers, when all that remained of this bright and intelligent young lady was consigned to the dust.
